ATLS Instructor, 1990-1995
University of Virginia, Pre-Medical Recruiting Advisor, 1982-1996
University of Virginia, Research Assistant, Department of Plastic Surgery, 1980-

1982

Guest Speaker or Lecturer cont.: University of Virginia Sports Medicine Conference, "Tears of the Posterior Tibial Tendon", March 14, 1996
University of Virginia Combined Hand Conference, "CMC interposition Arthroplasty", February 27, 1996
University of Virginia Combined Hand Conference, "Variations of the Ulnar Nerve in Guyon's Canal", February 6, 1996
University of Virginia Sports Medicine Conference, "Applied Anatomy in the Approaches to Ankle Fusions", January 25, 1996
University of Virginia Advanced Athletic Training Seminar, "Elbow Anatomy and Examination", December 5, 1995
University of Virginia Sports Medicine Conference, "Vascularity of the Carpal Lunate", November 28, 1995
University of Virginia Residents Core Curriculum Lecture, "Low Back Pain in the Athlete", September 8, 1995
University of Virginia Fracture Conference, "Distal Femur Fractures", April 25, 1994
University of Virginia Orthopaedic Grand Rounds, "Shoulder Instability in the Throwing Athlete", March 16, 1994
University of Virginia Residents Core Curriculum Lecture, "Care of the Spine-Injured Patient", December 2, 1993
University of Virginia Orthopaedic Grand Rounds, "Injuries to the Anterior Cruciate Ligament", September 22, 1993
Vinson County EMS Training Program, "Extremity Care in the Field", February 12, 1993
Roanoke Memorial Hospital Orthopaedic Nursing Staff, "Post-Operative Care of the Total Joint Patient", February 12, 1993
Advanced Trauma Life Support and Provider Courses, Tidewater Center for Life Support Training, Norfolk Virginia: April 20-21, 1995; February 23-24, 1995; November 10-11, 1994; July 21-22, 1994; April 21-22, 1994; April 23, 1992; February 20, 1992; May 23, 1991; October 24, 1990.

Research Performed: University of Virginia, Department of Orthopaedic Surgery, Polyclonal Antibodies to Mammalian Type X Collagen, 1988-1990; Fracture Callous Response to External Fixation, 1991-1992

Publications, Peer Reviewed: Maurer, E.F., Kaplan, P., Dussault, R., Diduch, D., Schuett, A.M., Hornsby, P., Hillman, B., and Omary R, "The Impact of MRI on Diagnostic and Therapeutic Decisions of the Acutely Injured Knee". *Journal of Radiology*, 1997

Books and Book Chapters: McCue, R.C. and Schuett, A.M., "Hand Injuries in Baseball", ed. Scott Maughon, Raven Press, 1998

McCue, F.C., and Schuett, A.M., "Wrist and Hand-Soft Tissues", In *Manual of Sports Medicine*, ed. Safran, M.R., Van Camp, S., and McKeag, D., Little, Brown and Company, 1998

McCue, R.C., Schuett, A.M., and Gieck, J., "Evaluation and Treatment of Injuries to the Thumb and Fingers". *Orthopaedic Physical Therapy Clinics of North America*, Volume 3, No.3, pp. 367-383, September, 1994.

Abstracts: Pilla, A.A., Martin, D.E., Schuett, A.M., McCue, R.C., Wiksten, D., Grossman, J. "Effect of Pulsed Radio-Frequency Therapy on Edema from Grades I and II Ankle Sprains: A Placebo Controlled, Randomized, Multi-Site, Double-Blind Clinical Study", National Athletic Trainers Association Annual Meeting, 1996.

Schuett, A.M., Martin, D.E., McCue, F.C., "Clinical Factor Analysis. Kienbock's Disease Diagnosis: A Clinical Factor Analysis", American Society for Surgery of the Hand, 51st Annual Meeting, September 30-October 3, 1996.

Schuett, A.M., Chang, J.K., Wang, G.J., and Vaughn, C., "Vascular and Callous Response to Rigid and Semirigid External Fixation in an Osteotomy Model". Vol.52, P.59. Academy of Pediatrics, Section of Orthopaedic Program for Scientific Sessions, Washington D.C., October 1993.

Schuett, A.M., Summers, T.A., and Balian, G., "Polyclonal Antibodies to a Synthetic Peptide Recognize Mammalian Type X Collagen". *Transactions of the 37th Annual Meeting, Orthopaedic Research Society*, Vol. 16, Section 2, P. 341, March 1991.

Professional Presentations: Schuett, A.M., Chang, J.K., Wang, G.J., Brooking, G., and Vaughn, C.: Vascular and Callous Response to Rigid and Semirigid External Fixation in an Osteotomy Model. American Academy of Pediatrics, Annual Meeting, November, 1993, Washington, D.C.

Schuett, A.M., Chang, J.K., Wang, G.J., Brooking, G., and Vaughn, C.: Vascular and Callous Response to Rigid and Semirigid External Fixation in an Osteotomy Model. Southern Medical Association, 87th Annual Scientific Assembly, October, 1993, New Orleans, Louisiana

Professional Presentations cont.: Schuett, A.M., Summers, T.A., and Balian, G.: Polyclonal Antibodies to a Synthetic Peptide Recognize Mammalian Type X Collagen. Transactions of the 37th Annual Meeting, Orthopaedic Research Society, March, 1991, Anaheim, California.

Local, State and National Committees: Tazewell County Board of Education, Sports Medicine Education Committee Consultant, 1998-2000

Additional Academic and Administrative Duties/Positions: Bluefield Regional Medical Center, Chairman, Surgical Service, 2004-2005 Bluefield Regional Medical Center,
Chairman, Operating Room Committee, 2004-2005 Bluefield Regional Medical Center,
Vice Chairman Surgical Service, 2002-2004 Bluefield Regional Medical Center,
Executive Committee, 2002-2005 Bluefield Regional Medical Center,
Emergency Room Trauma Designation Development Committee, 2002-2005 Bluefield Regional Medical Center,
Regional Physician Services Committee, 2001-2005 Bluefield Regional Medical Center,
Physician Director of Occupational and Physical Therapy, 2001-2005 Bluefield Regional Medical Center,
Continuing Medical Education Committee, 2000-2002 Bluefield Regional Medical Center,
Utilization Management Committee, 2000-2002, Acting Chairman, May 2002- November 2002 Bluefield Regional Medical Center,
P and T Committee, 1999-2001
